A:-Core Committee

B:-Council

C:-Assembly

D:-None of the above

Correct Answer:- Option-C

Question57:-How many committees are functioning under the International Maritime Organisation?

A:-9

B:-5

C:-7

D:-11

Correct Answer:- Option-B

Question58:-What is the second important organ in the International Maritime Organisation?

A:-Core Committee

B:-parliament

C:-Assembly

D:-Council

Correct Answer:- Option-D

Question59:-What are the functions of Maritime Safety Committee of IMO

A:-Aids to navigation

B:-Rules for the prevention of collisions

C:-Handling of dangerous cargoes

D:-All of the above

Correct Answer:- Option-D

Question60:-Initially, the Maritime Safety Committee was constituted by 14 Members. Then the IMO convention was amended to include all members of the organisation in MSC. In which year the amendment was made?

A:-1959

B:-1958

C:-1974

D:-1982

Correct Answer:- Option-C

Question61:-What is the term of Secretary- general of IMO?

A:-3

B:-4

C:-5

D:-6

Correct Answer:- Option-B

Question62:-The nationality of the incumbent Secretary-General of IMO

A:-Japan

B:-North Korea

C:-South Korea

D:-China

Correct Answer:- Option-C

Question63:-How many sub committees are there in IMO to assist the work of Marine Environment Protection Committee and Maritime Safety Committee

A:-7

B:-5

C:-9

D:-11

Correct Answer:- Option-A

Question64:-When was IMO started functioning

A:-1959

B:-1958

C:-1974

D:-1982

Correct Answer:- Option-B

Question65:-The original name of IMO was the Inter-Governmental Maritime Consultative Organization or IMCO. In which year the name was changed to International Maritime Organisation?

A:-1959

- A:-Used to find the direction of echo
- B:-Used to find the distant object
- C:-Used to determine the depth of water
- D:-All of the above

Correct Answer:- Option-C

Question74:-What is a 'Radar'?

- A:-A device used to steer a ship or an aircraft
- B:-A device to photograph distant ships
- C:-A system to identify under water objects
- D:-A system for detecting the presence, direction, distance, and speed of aircraft ships and other objects

Correct Answer:- Option-D

Question75:-What is the international maritime distress, safety calling radio telephony channel?

- A:-Channel 10
- B:-Channel 16
- C:-Channel 15
- D:-Channel 06

Correct Answer:- Option-B

Question76:-What is the operating frequency of channel 16?

- A:-156.800 MHz
- B:-156.300 MHz
- C:-156.900 MHz
- D:-157.750 MHz

Correct Answer:- Option-A

Question77:-In what radio frequency range the international Maritime communications are taking place?

- A:-Ultra High Frequency
- B:-Low Frequency
- C:-High Frequency
- D:-Very High Frequency

Correct Answer:- Option-D

Question78:-What you mean by 'Squelch' button or knob in a wireless set?

- A:-is a volume control in a wireless set
- B:-is a control in a wireless set to reduce the amount of noise
- C:-is a control in a wireless set to switch between simplex and duplex mode of transmission
- D:-All of the above

Correct Answer:- Option-B

Question79:-Each survival craft shall be stowed

- A:-so that neither the survival craft nor its stowage arrangements interferes with the operation of any other survival craft
- B:-so that survival craft cannot be launched by unauthorised persons
- C:-so that the survival craft or rescue boat at can be launched one after another
- D:-all of the above

Correct Answer:- Option-A

Question80:-Every person forming the crew of a ship shall be in possession of a certificate indicating that he has attended an approved course on

- A:-Survival at Sea
- B:-Swimming
- C:-Fire fighting
- D:-None of the above

Correct Answer:- Option-A

Question81:-Life saving appliances to be carried by every ship shall have following quality and workmanship

- A:-should not deform in room temperature as well as in sea-water
- B:-should change colour when exposed to sunlight while in sea-water
- C:-Operate throughout the sea-water temperature range of - 1°C to 30°C in sea-water during their use
- D:-All of the above

Correct Answer:- Option-C

Question82:-Te Merchant Shipping (Life Saving Appliances) rules, 1991 applies to

- A:-Passenger ship only
- B:-Cargo ship only
- C:-Both Passenger and Cargo ships
- D:-Sailing vessels only

Correct Answer:- Option-C

Question83:-What is meant by "coasting trade of India"

- A:-Trade within India which involves road, ship and rail traffic along the coast
- B:-The carriage by sea of passengers or goods from any port or place in India to any other port or place on the continent of India
- C:-The carriage by sea of goods from any port or place in India to any other port or place on the continent of India
- D:-All of the above

Correct Answer:- Option-B

Question84:-What is meant by "anti-fouling system"

- A:-A coating, paint, surface treatment, or device that is used on a ship to control or prevent attachment of unwanted organisms
- B:-A coating, paint, surface treatment, or device that is used on a ship to prevent slippery on cold weather
- C:-A coating, paint, surface treatment, or device that is used to local a vessel by a high flying aircraft or satellite
- D:-None of the above

Correct Answer:- Option-A

Question85:-What is a "Product Carrier" as defined in the merchant shipping (prevention of pollution by Oil from Ships) Rules, 2010 means

- A:-an oil tanker engaged in the trade of carrying oil other than crude oil
- B:-It is an oil tanker engaged in the trade of crude oil
- C:-It is a bulk carrier engaged in the trade of Industrial products
- D:-None of the above

Correct Answer:- Option-A

Question86:-The Antarctic area means

- A:-The sea area east of longitude 60°E
- B:-The sea area west of latitude 60°E
- C:-The sea area south of latitude 60°S
- D:-The sea area north of latitude 60°S

Correct Answer:- Option-C

Question87:-The Inland Vessels (Amendment) Act, 1917 was amended in the _____ year

- A:-1947
- B:-1967
- C:-1987
- D:-2007

Correct Answer:- Option-D

Question88:-The surveyor who conducted the survey of Inland Vessel, without following the procedure laid down in section 9 of Inland Vessels Act 1917, may grant a permit authorising the inland vessel to proceed on voyage or use in service temporarily pending the issue of the certificate of survey.What is the validity period of such a temporary permit?

- A:-45 days
- B:-60 days
- C:-6 months
- D:-1 year

Correct Answer:- Option-A

Question89:-How long an inland mechanically propelled vessel registered in one state can be kept in another state without transferring the registration?

- A:-12 months
- B:-36 months
- C:-1 year
- D:-None of the above

Correct Answer:- Option-B

Question90:-In the amendment to Inland Vessels Act 1917 a new chapter was inserted as chapter VIAB. This chapter refers to

- A:-Prevention and control of Pollution and protection of inland water
- B:-Prohibition as to discharge of oil, oily mixture in the inland water

- D:-All of the above

Correct Answer:- Option-A

Question93:-All railings for the fencing of hatchways, gangways shall be of

- A:-at least half metre height with one taut rope supporting stanchions and toe boards
- B:-at least one metre height with two taut rope supporting stanchions and toe boards
- C:-stanchions at three metres apart
- D:-None of the above

Correct Answer:- Option-B

Question94:-Dock workers shall not be employed inside open wagon when

- A:-Bulk cargo is being handled by means of grabs
- B:-Steel cargo is being handled by means of electro magnets
- C:- (1) and (2) above
- D:- (1) above only

Correct Answer:- Option-C

Question95:-Power driven conveyors shall be thoroughly inspected once in every

- A:-three months
- B:-one month
- C:-Six months
- D:-one year

Correct Answer:- Option-A

Question96:-What are the precautions to be taken while handling dangerous goods

- A:-under the supervision of a responsible persons who is familiar with the risks and the precautions to be taken
- B:-Shall be provided with suitable protective equipment

C:-shall be executed by specially trained dock workers

D:-All of the above

Correct Answer:- Option-D

Question97:-While containers are lowered or hoisted from a chassis

A:-one dock worker shall be on top of the container to give instruction to the crane operator

B:-one dock worker shall be on top of the spreader to adjust the hook

C:-two persons shall be standing on the container while another container is being lifter or lowered adjacent to it

D:-None of the above

Correct Answer:- Option-D

Question98:-Portable electric light or equipment used in a confined space shall be of

A:-36 volts

B:-110 volts

C:-24 volts

D:-240 volts

Correct Answer:- Option-C

Question99:-Who in the port could carry out the duties of a Safety Office as per Kerala Dock Workers (Safety, Health and Welfare) Regulations

A:-Port Conservator

B:-Wharf Supervisor

C:-Chief Signaller

D:-None of the above

Correct Answer:- Option-A

Question100:-A dock worker spit in the dock area. The supervisor fined the worker a sum of

A:-Rs 100

B:-Rs 150

C:-Rs 200

D:-Rs 250

Correct Answer:- Option-A
