Question Booklet  
Alpha Code

**A**

Question Booklet  
Serial Number

--

Name:		Reg.No.		Signature:	
-------	--	---------	--	------------	--

**DEPARTMENTAL TESTS — JULY, 2021**

Total Number of Questions : 100

[Time : 1½ hours

(Maximum Marks : 100)

**INSTRUCTIONS TO CANDIDATES**

1. The question paper will be given in the form of a Question Booklet. There will be four versions of question booklets with question booklet alpha code viz. A, B, C & D.
2. The Question Booklet Alpha Code will be printed on the top left margin of the facing sheet of the question booklet.
3. The Question Booklet Alpha Code allotted to you will be noted in your seating position in the Examination Hall.
4. If you get a question booklet where the alpha code does not match to the allotted alpha code in the seating position, please draw the attention of the Invigilator IMMEDIATELY.
5. The Question Booklet Serial Number is printed on the top right margin of the facing sheet. If your question booklet is un-numbered, please get it replaced by new question booklet with same alpha code.
6. The Question Booklet will be sealed at the middle of the right margin. Candidate should not open the question booklet, until the indication is given to start answering.
7. Immediately after the commencement of the examination, the candidate should check that the question booklet supplied contains all the 100 questions in serial order. The question booklet does not have unprinted or torn or missing pages and if so the fact should be brought to the notice of the Invigilator and get it replaced by a complete booklet with same alpha code. This is most important.
8. A blank sheet of paper is attached to the question booklet. This may be used for rough work.
9. **Please read carefully all the instructions on the reverse of the Answer Sheet before marking your answers.**
10. Each question is provided with four choices (A), (B), (C) and (D) having one correct answer. Choose the correct answer and darken the bubble corresponding to the question number using Blue or Black Ball-Point Pen in the OMR Answer Sheet.
11. **Each correct answer carries 1 mark and for each wrong answer 1/3 mark will be deducted. No negative marks for unattended questions.**
12. No candidate will be allowed to leave the examination hall till the end of the session and without handing over the Answer Sheet to the Invigilator. Candidates should ensure that the Invigilator has verified all the entries in the Register Number Coding Sheet and that the Invigilator has affixed his/her signature in the space provided.
13. Strict compliance of instructions is essential. Any malpractice or attempt to commit any kind of malpractice in the Examination will result in the disqualification of the candidate.
14. **If any candidates make a marking of answer in the question paper and exchange with other candidate during the course of the examination, the answer script will be invalidated and the candidates will be debarred for a minimum period of 2 years from appearing the Departmental Tests.**

# DE-7/2021/92

Maximum : 100 marks

Time : 1½ hours

1. Which section of the department is responsible for preparation of budget proposals?  
(A) Planning (B) Accounts  
(C) Establishment (D) RMMS Cell
2. Which officer of the department is a member of the District Development Council?  
(A) Superintending Engineer (B) Assistant Executive Engineer  
(C) Assistant Engineer (D) Executive Engineer
3. Who is the officer responsible for reporting initial levels and details of material collection to Chief Technical Examiner?  
(A) Assistant Engineer (B) Assistant Executive Engineer  
(C) Executive Engineer (D) Chief Engineer
4. The presence of which officer is mandatory while carrying out R.C.C works?  
(A) Executive Engineer (B) Assistant Engineer  
(C) Assistant Executive Engineer (D) Superintending Engineer
5. Which officer is directly responsible for maintenance and upkeep of PWD Rest Houses?  
(A) Assistant Executive Engineer (B) Care taker  
(C) Executive Engineer (D) Assistant Engineer
6. Which of the following officers is responsible for advising Chief Engineer, Buildings in approving architectural concepts of projects costing above Rs.500 lakhs?  
(A) Chief Architect (B) Deputy Chief Engineer  
(C) Superintending Engineer (D) None of the above
7. Which of the following officers is not the head of Accounts branch of a PWD office?  
(A) Finance officer (B) Financial Assistant  
(C) Senior Administrative Officer (D) Divisional Accounts Officer
8. Black spot in a road alignment shall mean  
(A) Road reach where road is badly damaged and accidents are likely  
(B) A junction, bend or short length at which accidents are clustered  
(C) Stretch of a road which is subjected to flooding  
(D) Road reach where road block is common due to heavy traffic
9. Which is the main executive unit of PWD?  
(A) Section (B) Sub Division  
(C) Division (D) Circle
10. The jurisdiction of a section office of PWD  
(A) Territorial (B) Territorial or functional  
(C) Functional (D) None of above

11. Who is the head of technical branch in a division office of PWD?  
(A) Assistant Engineer(Works) (B) Assistant Executive Engineer  
(C) Executive Engineer (D) Divisional Accounts Officer
12. Who is the Taluk Level officer of PWD?  
(A) Assistant Executive Engineer (B) Executive Engineer  
(C) First Grade Overseer (D) Assistant Engineer
13. During which stage of a project, Investigation shall be carried out?  
(A) Commencement of Execution (B) Design Stage  
(C) Planning Stage (D) Tender Stage
14. Major aspect involved in the vertical alignment of a road  
(A) Level difference at straight stretches of a road  
(B) Changes in a gradient and vertical curves  
(C) Level difference at curves  
(D) None of above
15. The guidelines for investigation of bridges are provided in which IRC Code?  
(A) IRC SP 54 (B) IRC 81  
(C) IRC 35 (D) IRC 67
16. Which of the following is not a key factor in selection of site for a bridge?  
(A) Presence of high and stable banks  
(B) Presence of good founding strata at shallow depth  
(C) Straight reach of river upstream and downstream  
(D) Direction of wind
17. The centage charges to be realised by PWD for carrying out deposit work is  
(A) 2.5% (B) 10%  
(C) 15% (D) 12.5%
18. Officer authorised to approve Local Market Rate (LMR) for various items  
(A) Executive Engineer, Roads  
(B) Chief Engineer, Administration  
(C) Executive Engineer, Buildings  
(D) Superintending Engineer, Buildings
19. Which of the following is a wrong statement?  
(A) Administrative sanction is not required for ordinary repairs  
(B) Administrative sanction is not required for special repairs  
(C) Administrative sanction is not required for original works  
(D) Administrative sanction is not required for investigation estimates

20. Which of the following is a wrong statement related to Technical sanction?
- (A) Technical sanction for a work can exceed the Administrative sanction amount by 15%
  - (B) In every office where Technical sanction is issued ,a register shall be maintained as under 1800A
  - (C) Technical sanction shall be issued only based on Administrative sanction for the work
  - (D) Technical sanction shall be issued only after considering the views and comments recorded in Docket sheet by intermediate officers
21. Who is the officer of the department directly in charge of upkeep and maintenance of structures?
- (A) Assistant Executive Engineer
  - (B) Superintending Engineer
  - (C) Assistant Engineer
  - (D) Executive Engineer
22. Who is the officer responsible for checking quality of materials on arrival at site to know whether they comply with the specifications?
- (A) Overseer Grade III
  - (B) Assistant Engineer
  - (C) Assistant Executive Engineer
  - (D) Executive Engineer
23. Who is the custodian of a Contract Agreement executed in Circle office?
- (A) Financial Assistant
  - (B) Superintending Engineer
  - (C) Executive Engineer
  - (D) Divisional Accounts Officer
24. Who is the officer responsible for deputing PWD officers for various training programmes?
- (A) Chief Engineer
  - (B) Executive Engineer, HRD
  - (C) Deputy Chief Engineer (Administration)
  - (D) Administrative Assistant (General)
25. Officer responsible for detailed checking of an estimate before issue of T.S.
- (A) Executive Engineer
  - (B) Tendering Authority
  - (C) T.S Issuing Authority
  - (D) Chief Engineer
26. Amount to be set apart in a work estimate towards mitigation of environmental damages
- (A) 5 to 7% of cost of work
  - (B) 10% of cost of work
  - (C) 3 to 5% of cost of work
  - (D) None of the above
27. A working estimate shall mean
- (A) Estimate for a work to be arranged without tender
  - (B) Estimate for a work to be arranged against an LS. provision made in an estimate
  - (C) Estimate prepared for supplementary works
  - (D) Estimate prepared for additional items during execution
28. A revised estimate must be prepared and got sanctioned when
- (A) Changes are found necessary before commencement of a work
  - (B) There is savings in the sanctioned estimate amount for a project
  - (C) There is no response to two tender calls for a project
  - (D) There are deletions, additions or alteration to the scope of work as originally sanctioned

29. What is the distance from a road junction/bridge where advertisement hoardings are not allowed?  
 (A) 100 m (B) 50 m  
 (C) 200 m (D) 150 m
30. What is the main objective of computerized Road Maintenance Management System of PWD?  
 (A) To carry out the road maintenance in time  
 (B) To optimise the use of limited resources available for maintenance works  
 (C) To ensure that specifications for road maintenance works are strictly adhered to  
 (D) To ensure that all quality control tests prescribed are carried out
31. Who is the authority competent to make selection of site for a project?  
 (A) Officer competent to issue Administrative sanction for the work  
 (B) Chief Engineer  
 (C) Secretary to government  
 (D) Officer competent to issue Technical Sanction for the work
32. Who is the officer entrusted with the job of preparing investigation reports?  
 (A) Assistant Executive Engineer (B) Executive Engineer  
 (C) Assistant Engineer (D) Chief Engineer (Designs)
33. What is the estimate amount above which clearance by Environment Cell is mandatory before Technical sanction is accorded?  
 (A) Rs.10 Crores (B) Rs.50 Crores  
 (C) Rs.15 Crores (D) Rs.100 Crores
34. In how many categories civil contractors are registered in PWD?  
 (A) Four (B) Three  
 (C) Five (D) Two
35. Who is the Registering Authority for C category civil contractors?  
 (A) Assistant Executive Engineers of Sub Division  
 (B) Executive Engineers of Division  
 (C) Executive Engineer (General)  
 (D) Superintending Engineers of Circle
36. Which among the following is a qualification for registration as an A category contractor in PWD?  
 (A) Should possess valid B category registration of state PWD for a minimum period of 3 years  
 (B) Should have ten years experience in carrying out works costing above Rs.200 Lakhs  
 (C) Should have seven years experience in carrying out works costing above Rs.500 Lakhs  
 (D) Should possess a valid B category registration of state PWD for a minimum period of 2 years

37. The registration fee for A category civil contractors  
(A) Rs.5000 (B) Rs.10,000  
(C) Rs.7500 (D) Rs.20,000
38. What is the penal action against a contractor who is found guilty of malpractices such as bribery and corruption?  
(A) Suspension of business (B) Removal from approved list  
(C) Black listing (D) None of the above
39. Which of the following statements is not true in the case of item rate contracts?  
(A) Total approximate quantities of respective items of work and time of completion are specified in the tender documents  
(B) Contractual obligations in item rate contract cover the rate, approximate quantities and time of completion  
(C) Item rate contract shall be followed for all works costing above the T.S. powers of Superintending Engineer  
(D) Total cost of the completed works as per drawings and specifications and time of completion form the essence of an item rate contract
40. From which date time of completion for a work shall be reckoned?  
(A) From the date of agreement  
(B) From the date of handing over site  
(C) From the date of commencement of work  
(D) None of the above
41. Which of the following statements is not true for a lump sum contract?  
(A) Drawings and specifications must be full and complete  
(B) Extra claim for modification within the scope of the work will be allowed  
(C) Total cost of completed works as per drawings and specifications and time of completion form the essence of contract  
(D) The bidder shall assess, evaluate and convince himself that amount quoted by him is adequate
42. Who is the officer empowered to decide upon the type of contract for a work?  
(A) T.S. issuing authority  
(B) Chief Engineer (Administration)  
(C) Chief Engineer of the concerned wing  
(D) Executive Engineer
43. What is the procedure followed for communicating the date of Pre bid meeting to the bidders?  
(A) Date of meeting will be communicated to each bidder  
(B) Date of meeting will be published in the notice boards of Circles. Divisions and Sub Divisions  
(C) Date of the meeting will be published in tender notice  
(D) None of the above

44. Minimum time between publication of tender notice and submission of tender prescribed for works costing upto T.S. powers of Assistant Executive Engineer  
 (A) 10 days (B) 5 days  
 (C) Two weeks (D) 7 days
45. The limit above which e tender is to be adopted  
 (A) Rs.10 Lakhs (B) Rs.100 Lakhs  
 (C) Rs.5 Lakhs (D) Rs.200 Lakhs
46. Which of the following is not a part of the bid document for a work?  
 (A) Technical sanction order  
 (B) Complete set of approved architectural and structural drawings  
 (C) Conditions of contract  
 (D) Schedule of quantities of various items of work with complete specifications
47. What is the rate of Earnest Money Deposit for works costing up to Rs.2 crores?  
 (A) 3% of project cost, max Rs.50,000  
 (B) 2.5% of project cost, max Rs.50,000  
 (C) 2.5% of project cost without limit  
 (D) 5% of project cost
48. In which of the following forms EMD is not allowed to be remitted?  
 (A) Chelan receipt from a Government treasury  
 (B) Draft on a scheduled/nationalised bank  
 (C) National Savings Certificate or Kisan Vikas Patra  
 (D) Cash remittance at the office where tender is invited
49. What is the normal firm period for a tender?  
 (A) Three month (B) Two months  
 (C) One month (D) Five months
50. Which of the following statements regarding a tender is not correct?  
 (A) All tenders received shall be entered in the Register of Tenders  
 (B) The officer inviting tenders may condone minor defects, if any  
 (C) Lowest bidder shall be negotiated after opening of tender  
 (D) Normally the lowest tender shall be accepted
51. The definition for single tender/bid considered during tender approval of a work  
 (A) The single bid received or the single bid found eligible after technical evaluation  
 (B) The single bid received on invitation of tender  
 (C) The single bid found eligible after technical evaluation  
 (D) None of the above
52. Tender fee for works costing above Rs. 10 Crores  
 (A) Rs.10,000 (B) Rs.20,000  
 (C) Rs.50,000 (D) Rs.15,000
53. How much Performance Security Deposit shall be remitted while executing a Contract Agreement?  
 (A) 10% of contract value (B) 5% of contract value  
 (C) 5% of T.S. amount (D) 10% of T.S. amount

54. How is the Security Deposit for a work raised?  
 (A) By deducting 2.5% of gross amount of each running account bill  
 (B) By deducting 5% of gross amount of each running account bill  
 (C) By deducting 10% of gross amount of each running account bill  
 (D) None of the above
55. What is the minimum amount of bank guarantee to be submitted at a time, for releasing security deposit on its accumulation to Rs.5 Lakhs?  
 (A) Rs.2 Lakhs (B) Rs.1 Lakhs  
 (C) Rs.5 Lakhs (D) Rs.3 Lakhs
56. When will the Performance Security Deposit be released to the contractor?  
 (A) After passing of final bill  
 (B) After Completion of work  
 (C) Three months after completion of work  
 (D) Expiry of defects liability period
57. What percentage of Performance Security Deposit amount shall be remitted as Treasury fixed deposit?  
 (A) 25% (B) 50%  
 (C) 10% (D) 20%
58. Who is the officer authorised to issue Selection Notice for executing Contract Agreement?  
 (A) Officer who has tendered the work  
 (B) Officer who has issued T.S. for the work  
 (C) Officer who has approved the tender  
 (D) None of the above
59. When is the bid for a work considered as unbalanced in a percentage rate contract?  
 (A) When the quoted rate is below estimate rate  
 (B) When the quoted rate is up to 10% below estimate rate  
 (C) When the quoted rate is 50% below the estimate rate  
 (D) When the quoted amount is 11% to 25% below estimate amount
60. What is the procedure for releasing bid security for a work after bid is opened?  
 (A) Bid Security of all bidders will be released  
 (B) Bid Security of all except lowest bidder will be released  
 (C) Bid security of all except the lowest two bidders will be released  
 (D) None of the above
61. What will happen if selection notice for a work is not issued before expiry of firm period?  
 (A) The tender will be nullified at the request of the contractor  
 (B) the tender will stand nullified automatically  
 (C) The bidder has to accept the selection notice by agreeing to extend the firm period  
 (D) None of the above

62. What is the procedure to be followed for arranging urgent works consequent to natural calamities?
- (A) Officer competent to arrange the work shall do so and obtain sanction from competent authority for expenditure and manner of execution as early as possible
  - (B) Officer competent to arrange the work shall urgently obtain sanctions from Chief Engineer and proceed with the formalities in the manner of execution approved by him
  - (C) Officer competent to arrange the work shall urgently obtain sanctions from Executive Engineer and proceed with the formalities in the manner of execution approved by him
  - (D) Officer competent to arrange the work shall urgently obtain sanction from Government and then proceed to arrange the work
63. What is the estimated PAC above which Contractor shall establish testing laboratory at site?
- (A) 5 crores
  - (B) 50 Lakhs
  - (C) 15 Lakhs
  - (D) 2 crores
64. What is the time allowed from the date of publication of notice to the date of receipt of sealed competitive quotations?
- (A) 7 days
  - (B) 5 days
  - (C) 3 days
  - (D) 10 days
65. In which of the following situations, splitting up of tenders is not allowed?
- (A) Expeditious completion of a work
  - (B) Grounds of economy
  - (C) Limiting to the powers delegated
  - (D) None of these
66. Which of the following statements regarding Limited Tender is not true?
- (A) Waiving of tender calls is not applicable to works arranged through Limited tender
  - (B) Limited tender is adopted for works related to VVIP visits
  - (C) Limited Tender is adopted for works related to natural calamities
  - (D) Tender documents shall be sold only to intending bidders included in the list maintained
67. The period of validity of the list of selected contractors for Limited tender is
- (A) 3 years
  - (B) 2 years
  - (C) 1 year
  - (D) 5 years
68. Which of the following statements regarding handing over site for a work is not correct?
- (A) Contractor/authorized agent shall take over site within ten days after executing agreement
  - (B) If site is not taken over within 10 days, Assistant Engineer shall forward the Acknowledgement form duly signed to the contractor by Registered post
  - (C) It shall be deemed that contractor has taken over the site from the date of posting
  - (D) Assistant Engineer shall hand over the site to contractor within 14 days from date of Agreement

69. Who is the officer authorized to approve setting out in the case of a work costing above T.S powers of Executive Engineer?
- (A) Superintending Engineer
  - (B) Assistant Engineer
  - (C) Assistant Executive Engineer
  - (D) Executive Engineer
70. Who is the officer authorized to approve foundation during execution in the case of a work costing above T.S powers of Executive Engineer?
- (A) Executive Engineer
  - (B) Chief Engineer
  - (C) Superintending Engineer
  - (D) Assistant Executive Engineer
71. Specifications followed for Road and Bridge works in PWD
- (A) CPWD specifications
  - (B) Specifications approved by MoRTH
  - (C) State PWD specifications
  - (D) None of the above
72. Which of the following statements related to measurement of works is not correct?
- (A) Overseer shall record measurements for works within T.S powers of Assistant Engineer
  - (B) All measurements shall be recorded directly in measurement books
  - (C) The completed measurement books shall be sent to Division office for final record
  - (D) Measurement books shall be numbered serially in Sub Division office and a register of the same maintained in KPW form 84 in Sub Division
73. For which type of work measurements shall be in computerized M Book format?
- (A) Works costing above T.S powers of EE
  - (B) Works costing above T.S powers of SE
  - (C) All works
  - (D) Works costing Rs. 500 lakhs and above
74. Which of the following statements related to payment of contractors bills without detailed scrutiny is correct?
- (A) Payment towards all contractors' bills can be made only after detailed scrutiny
  - (B) Payment upto a maximum of 50% of bill amount can be made without detailed scrutiny, if the officer making payment is satisfied of the genuineness of the bill
  - (C) Payment upto a maximum of 75% of bill amount can be made without detailed scrutiny, if the officer making payment is satisfied of the genuineness of the bill
  - (D) Payment up to a maximum of 60% of bill amount can be made without detailed scrutiny, if the officer making payment is satisfied of the genuineness of the bill
75. Authority competent to approve alterations in sanctioned designs
- (A) T.S issuing authority
  - (B) Chief Engineer (Design)
  - (C) Superintending Engineer
  - (D) None of the above

76. Agreement authority shall fix rate by negotiation with the contractor when during execution, the agreed quantity exceeds
- |         |         |
|---------|---------|
| (A) 10% | (B) 5%  |
| (C) 15% | (D) 25% |
77. Maximum extension of time of completion granted at a time
- (A) 25% of original time or six months whichever is less  
 (B) 50% of original time  
 (C) At the discretion of the T.S authority  
 (D) 10% of original time for works having original time of completion beyond 12 months and 20% for others
78. Fine for extension of time of completion of a work beyond the first extension for default on the part of the contractor
- (A) 1% of PAC subject to a minimum of Rs.1000 and maximum of Rs.50,000  
 (B) 2% of PAC subject to a minimum of Rs.2000 and maximum of Rs.1,00,000  
 (C) 0.5% of PAC subject to a minimum of Rs.500 and maximum of Rs.30,000  
 (D) None of the above
79. Application for extension of time of completion has to be submitted by the contractor
- (A) Within one week after expiry of time of completion  
 (B) Within one month after expiry of time of completion  
 (C) Within the time frame directed by the Agreement Authority  
 (D) Before expiry of time of completion
80. Incentive to Contractor for timely completion of a work is applicable for works
- (A) Exceeding T.S powers of Executive Engineer  
 (B) Exceeding T.S powers of Assistant Executive Engineer  
 (C) Within T.S powers of Chief Engineer  
 (D) All works
81. Date of completion of a work by the contractor is the date of
- (A) Actual completion of work  
 (B) Last measurement taken  
 (C) Completion certificate  
 (D) Handing over site back to the department
82. Which among the following statements is not a procedure for completing a work, if the contractor dies, becomes insane or insolvent?
- (A) Agreement Authority may immediately terminate the contract and rearrange the work  
 (B) Agreement Authority has to satisfy whether legal heirs or representatives of the contractor are capable of carrying out and continuing the work and whether they are willing to do the balance work  
 (C) If the legal heirs are willing, Agreement Authority may entrust balance work with them  
 (D) A fresh agreement on the same terms and conditions as in the original agreement has to be executed

83. Who is the authority authorized to rearrange a work terminated due to default of contractor?  
 (A) Immediate superior to Agreement Authority  
 (B) Superintending Engineer  
 (C) Agreement Authority  
 (D) None of the above
84. How many tiers of tests are envisaged in the Quality Control system of PWD?  
 (A) Two tier (B) No tier system  
 (C) Single tier (D) Three tier
85. Who is entrusted with the duty of Technical Audit for a PWD project?  
 (A) Finance Inspection Wing (Technical)  
 (B) Chief Engineer (Designs)  
 (C) Expert empanelled for the purpose  
 (D) Chief Engineer (Administration)
86. Who is the person entrusted with the primary responsibility for ensuring quality control in each item of work in a project?  
 (A) Contractor (B) Assistant Engineer  
 (C) Overseer (D) Assistant Executive Engineer
87. Who is responsible for the genuineness of the Manufacturers certificate submitted for an item?  
 (A) Assistant Engineer (B) Assistant Executive Engineer  
 (C) Overseer (D) Contractor
88. Who is the officer empowered to decide whether third party testing is required to settle a dispute arising out of the difference in test results of first and second tier?  
 (A) Superintending Engineer (B) Executive Engineer  
 (C) Assistant Executive Engineer (D) Chief Engineer
89. Who is the officer authorized to approve concrete mix design?  
 (A) Executive Engineer  
 (B) Assistant Executive Engineer  
 (C) Superintending Engineer  
 (D) Executive Engineer (Quality Control)
90. In which office of the department a Register of Buildings is maintained?  
 (A) Sub Division (B) Circle  
 (C) Section (D) Division
91. Who is the lowest level officer of PWD empowered issue Rent Certificate?  
 (A) Executive Engineer (B) Assistant Executive Engineer  
 (C) Assistant Engineer (D) Overseer
92. At what interval an Assistant Engineer shall inspect the roads under his jurisdiction?  
 (A) Once every two months (B) Once a month  
 (C) Once every three months (D) Once every six months

93. The maintenance grant for ordinary repairs of a building is limited to  
(A) 1% of capital cost (B) 5% of capital cost  
(C) 2% of capital cost (D) None of the above
94. What is the interval suggested for distemper washing of walls of a building?  
(A) Once every two years (B) Once every three years  
(C) Once every year (D) As and when required
95. Which of the following statements is not related to special repairs of buildings?  
(A) These are repairs which are not periodic  
(B) These are treated as original works and shall be arranged only after estimate is sanctioned  
(C) The works do not involve substantial additions or alterations for a building  
(D) Water proof cement painting for the building shall be done once every two years
96. Who is the custodian officer of PWD Rest Houses, camp sheds and conference halls?  
(A) Executive Engineer (B) Assistant Engineer  
(C) Caretaker/Manager (D) Assistant Executive Engineer
97. In how many categories Rest Houses of Public Work Department are classified?  
(A) Two (B) Three  
(C) Four (D) None of the above
98. What is the norm for a Class II Rest House?  
(A) Rest Houses having five or higher number of rooms not covered under Class I category  
(B) Rest Houses in municipal towns  
(C) Rest Houses having six or higher number of rooms not covered under Class I category  
(D) Rest houses having less than ten rooms
99. What is the defects liability period for original works related to buildings and bridges?  
(A) 36 months (B) 24 months  
(C) 60 months (D) 18 months
100. For how many days concrete curing shall be continued?  
(A) 7 days (B) 28 days  
(C) 3 days (D) 14 days
