A:-Both A and B are correct

B:-Both A and C are correct

C:-Both B and C are correct

D:-All of the above are correct

Correct Answer:- Option-D

Question63:-Find out the correct statement about Trivrit :

- A. Trivrit is kaphapitta samana.
- B. Due to ruksha guna, trivrit causes vata kopa.

A:-A is correct and B is wrong

B:-A is wrong and B is correct

C:-Both A and B are correct

D:-Both A and B are wrong

Correct Answer:- Option-C

Question64:-Match the following - Dravya used for vasti with respective disease condition.

- | | |
|-----------------|---------------|
| A. Ikshaku | i. Pandu |
| B. Kutajam | ii. Udaram |
| C. Kritavedanam | iii. Premeham |
| D. Kotaphalam | iv. Hrigrogam |

A:-A-ii, B-iii, C-iv, D-i

B:-A-ii, B-iv, C-iii, D-i

C:-A-iii, B-iv, C-ii, D-i

D:-A-iii, B-ii, C-iv, D-i

Correct Answer:- Option-C

Question65:-Find out the correct statement about ECG :

- A. Depolarisation of atrium produce P wave.
B. PR interval is an isoelectric line.
C. Repolarisation of ventricle produce QRS complex.

A:-Both A and B are correct

B:-Both A and C are correct

C:-Both B and C are correct

D:-All of the above are correct

Correct Answer:- Option-A

Question66:-Swedana by means of heated bolus of dravya with or without covering with cloths is known as

A:-Sankara sweda

B:-Prasthara sweda

C:-Holaka sweda

D:-Kumbika sweda

Correct Answer:- Option-A

Question67:-Find out the correct statement about a lesion in Pons :

- A. Ipsi-lateral paralysis of V, VI and VII cranial nerves.
B. Contralateral hemiplegia.
C. Contralateral paralysis of V, VI and VII cranial nerves.

A:-Both A and B are correct

B:-Both A and C are correct

C:-Both B and C are correct

D:-Only B is correct

Correct Answer:- Option-A

Question68:-For doing snehavasti, how much quantity of sathahwa and saindava should be added to one pala snehadravya ?

A:-1 karsha

B:-½ karsha

C:-1 masha

D:-2 masha

Correct Answer:- Option-C

Question69:-Which of the following statements are true about Avipathy choornam ?

- A. Trivrit constitute the major part of Avipathy choornam.
B. Indicated in all type of Visha.
C. It is used along with honey.

A:-Both A and B are correct

B:-Both A and C are correct

C:-Both B and C are correct

D:-All the above are correct

Correct Answer:- Option-C

Question70:-Find out the correct statement about Erandamooladi niroohavasti yoga :

- A. This vasti is having Kapha pittahara property.
B. Tharshyasaila is an ingredient of this vasti.
C. This vasti is having lekhana and deepana property.

A:-Both A and B are correct

- B:-Both A and C are correct
C:-Both B and C are correct
D:-All the above are correct
Correct Answer:- Option-C

Question71:-During the procedure of vama which of the following symptoms indicate the dislodgement of dosha from its site ?

- A:-Romaharsha
B:-Sweda pradurbhava
C:-Hrillasa
D:-Asya sravanam
Correct Answer:- Option-A

Question72:-Find out the correct statement about Sodhanadi gana by Vagbhata :

- A. Duggam and mutram included in virechana gana.
B. Lavana is included in Chardana gana and nirooha gana.
C. Kana is included in sirovirechana and nirooha gana.

- A:-Both A and B are correct
B:-Both A and C are correct
C:-Both B and C are correct
D:-All the above are correct
Correct Answer:- Option-A

Question73:-Which of the following are Sadharana ritus ?

- A:-Vasantha, hemantha, sarath
B:-Pravrit, sarath, vasantha
C:-Sarath, vasantha, grishma
D:-Varsha, sarath, hemantha
Correct Answer:- Option-B
